History / About Camp:

We will be headed to Hocking Valley Ranch. Senior Choir has been coming here from summer camp since 1978. There are a few areas of camp with limited cell phone service and you are allowed to bring your devices and use them at limited times. Keep in mind that they could get wet or broken, and we aren't responsible if that happens! Hocking Valley Ranch is located 8 miles south of Logan on State Route 93.

The street address is 19120 SR 93 Logan, OH 43138.

In case of emergency, you can call camp directly at: 740.385.8361

Things to Bring:

Clothes: Plan on 7 days worth of clothes plus some extra. You might get wet or muddy and you will get dirty. Plan on changing clothes! Also don't forget sweatshirt and sweatpants [it can get very chilly at night]. If you plan on swimming in the lake, bring a bathing suit and beach towel.

Rehearsal Items: Throat Lozenges [we'll be singing a lot...no menthol], Pencil and water bottle. Music folders will be distributed at camp. Please take care of them as they will be yours for the entire year and we won't have any extras.

Toiletries: Be careful with heavily scented or 'fruity' scented items as some of those scents attract bugs and mosquitoes. Don't forget at least 2 towels and washcloths. Towels don't dry as well outside in the humidity so it's good to have a backup.

Medicine: If you take prescribed medication, please list that on your Emergency Medical Form. You are responsible for taking this at the appropriate times. All other over the counter medications may be taken if parents give permission. The directors will be not administer medication of any sort.

Misc: Flashlights, bug spray, a folding chair, Christmas lights if you want to decorate, extension cords, fishing pole, frisbees, footballs, box fans, Innertubes, squirt guns, Bathing Suit, guitars or other instruments.

Theme night items: Each night there will be a different theme (i.e. Hawaiian Night) where students will dress up and have various games to play. Please check the choir website in later June/early July for the various themes so you can plan appropriate clothing!

Food / Snacks / Drinks: Three meals a day will be provided but you will want some snack foods too. Bring whatever you would like to eat or share. ALL food and drinks must be in airtight containers since critters are around. You can bring drinks, etc. in coolers but you will need to bring ice with you and everything you bring should be non-perishable. Someone from camp staff may make ice runs throughout the week so have a little cash as well if you would like to have them pick up some for you. We may also do a campfire one night so if s'mores interest you, bring supplies to make those, too!
